COMPLIANCE AGREEMENT FOR CLERGY VISITATION TO HOSPITALS

Persons wearing the Clergy Hospital Visitation Identification Badge are expected to comply with some basic guidelines for pastoral visitations. Failure to do so may result in the revocation of clergy privileges and the surrender of the Identification Badge.

1. I will comply with each hospital’s rules for visitation by clergy visitors.
2. I will wear my identification badge in a clearly visible location with the photograph exposed.
3. I will visit only members of my own religious institution, their immediate family members or persons requesting my presence.
4. I will respect the wishes of the patient who does **not** want a clergy visit.
5. I will **not** interrupt or interfere with any medical treatment or examination; I will cooperate with treatment plans.
6. I will wear the clothing, gloves, and/or masks, to eliminate passing of infection by observing the notices posted on patient’s door or asking the staff for guidance.
7. When a patient’s door is closed, I will request a member of the hospital staff to check if it is appropriate for me to visit.
8. In intensive care units, and outside regular visiting hours, I will identify myself to the staff before visiting.
9. I will limit the use of my parking privileges to my professional function as a clergy visitor.
10. I will surrender my badge and notify the Hospital Council of Northwest Ohio when I am no longer affiliated with the congregation that is identified on the badge.
11. I understand that disrespect and rudeness directed to any person at the Hospital Council of Northwest Ohio, the hospital(s), or patient(s) may result in the loss of HCNO hospital visitation privileges.
12. I agree **not** to disclose any information regarding any hospital patient – including that the patient is or was hospitalized, the reason for hospital treatment, or the patient’s medical condition – without express consent of the patient or, if the patient is a minor or unable to give consent, the legal guardian.
