

The NW Ohio Healthcare Emergency Management Coalition invites regional healthcare providers to be partners in disaster preparedness trainings

Please attend one of the spring training seminars in your area (dates and times listed below) that will help your agency integrate with local and regional healthcare coalitions and response partners, begin to train staff to implement the Hospital & Healthcare Incident Command System, identify interoperable communication planning and asset options, and to receive information to assist with compliance for the revised CMS Emergency Management rules. **Intended Audience: Long term care and skilled nursing facilities, other healthcare providers**

- **May 3rd** – Lucas County - St. Luke’s Hospital, Classroom A, from 9a to 2p
- **May 5th** – Allen County – St. Rita’s Medical Center, Auxiliary Conference Room, from 9a to 2p
- **May 9th** – Defiance County – ProMedica Defiance Regional Hospital, Maumee/Auglaize/Tiffin Meeting Rooms – Lower Level, from 9a to 2p
- **May 10th** – Erie County – Castaway Bay (2001 Cleveland Rd, Sandusky) near Cedar Point, from 9a to 2p

Come and meet local and regional healthcare, emergency management, public health, and other coalition and response partners. Learn how the regional healthcare system communicates and shares information and resources during events.

These sessions will prepare the attendees to complete the FEMA online tests for the Incident Command System (ICS) 100, 200, 700 courses. Participants will learn about the Hospital/Healthcare ICS system and how this effective tool can assist with the management of daily operations, event planning, exercises, and managing real world incidents. This training session will be interactive and uses a real-world scenario to reinforce what is taught.

[This is a brown bag event.]
PLEASE BRING YOUR OWN LUNCH

We have space for 50 participants at each session so please specify which session you wish to attend and email back to Susan Murphy (smurphy@hcno.org).

If you would rather fax the form back to us, you may send to 419-843-8889.
